Huss was born to peasant parents in "Goosetown," that is, Husinec, in the south of today's Czech Republic. (In his twenties, he shortened his name to Huss—"goose," and he and his friends delighted in making puns on his name; it was a tradition that continued, especially with Luther, who reminded his followers of the "goose" who had been "cooked" for defying the pope).

Intercession is Believing that God still rules and reigns in the affairs of men and nations. Pray through for:

A covenant is a contract or agreement between two or more parties. Covenant is how God has chosen to communicate to us, to redeem us, and to guarantee us eternal life in Jesus. These truths, revealed in the Bible, are the basis of Christianity. The Bible is a covenant document. The Old and New Testaments are really Old and New Covenants. The word "testament" is Latin for Covenant.

A word from Pastor Al

I greet you in the name of the Lord Jesus Christ-the one that saves. This year has been great and it has been hell. Well, nothing compares to hell here on earth but I can understand it when people say 'its hell here on earth.' I have a Mission's Trip to Australia from April 7 to 24 and I feel that the devil just does not want me to go there, but as Jesus said, "the gates of hell will not prevail." I believe that I will have a great time ministering to all these people that will become my friends. I never asked to be sent to the nations of the world, all 196 countries. God just saw me one day as he was looking for a person that would say 'yes' to him. It says in Ezekiel 22:30, "I looked for someone who might rebuild the wall of righteousness that guards the land. I searched for someone to stand in the gap in the wall so I wouldn't have to destroy the land, but I found no one". Then the Lord said in Isaiah, "Who shall we send and who will go in our place?" (Isaiah 6:8)

I believe that the Lord ordained me (and many other people) that would be willing to go into all the nations and bring Good News before his return. We have been praying in our church for about 8 years and seeking the face of God as it says in 2 Chronicles 7:14. We have seen the hope that Jesus brings to a nation that humbles themselves before the Lord. We have a group of people that claim that they love God and want to do his will, but every time you ask them to take on a responsibility they say they are not gifted to do the task. If I only took the tasks that I was gifted to do then I would do nothing. You see the lord does not need gifted people - he needs and wants humble people. It is God himself who gives the gifts for the use of the church to encourage the body of Christ. I learned a new word 'Otaku' this is a Japanese term for people with obsessive interests. So I have come to the conclusion that I have an obsessive interest in the things of God. I do not know why I have this 'Otaku' but I know that it is the Lord who put it there from before I was born. People of God, we do not have much time before our God returns for his church, His bride, so we must go out and compel them to come to Jesus.

Where are the people that have been called to prayer and seeking the Lord? What will it take for you to pray and seek the Lord? I see people that do not want to pray but then something bad happens in their life then they want to pray and seek the Lord until something bad happens to them or their loved ones. Someone said, "We learn to pray by praying," so its time to start praying. May the Lord keep and bless you. Also, on a side note, I send out an audio message every morning and if you want me to send it to you – it is a message of encourage - just let me know by e-mail or face book. PS. On Monday, March 24, World Vision said they would be hiring same sex couples, I called them and told them I would not support them anymore, other people called, too. So on Wednesday they reversed their policy back to a Bible based policy to agree with God's Word. Let keep an eye on World Vision. Pastor Al
