### **Pastors Al and Crystal Garcia**

**Meaning of a name- Al means faithful Alvaro means guardian. The name Garcia is a Spanish baby name. In Spanish the meaning of the name Garcia is: Brave in battle. People with this name have a deep inner desire to inspire others in a higher cause, and to share their own strongly held views on spiritual matters. People with this name tend to be creative and excellent at expressing themselves. They are drawn to the arts, and often enjoy life immensely. They are often the center of attention, and enjoy careers that put them in the limelight. They tend to become involved in many different activities, and are sometimes reckless with both their energies and with money.**

Wycliffe was founded in 1942 by William Cameron Townsend. A missionary to the Cakchiquel Indians of Guatemala, Townsend caught the vision for translation after Cakchiquel-speaking men expressed their concern and surprise that God did not speak their language. Townsend resolved that every man, woman and child should be able to read God's Word in their own language. Borrowing the name of the Reformation hero, John Wycliffe, who first translated the Bible into English, Townsend founded "Camp Wycliffe" in 1934 as a linguistics training

A covenant is a contract or agreement between two or more parties. Covenant is how God has chosen to communicate to us, to redeem us, and to guarantee us eternal life in Jesus. These truths, revealed in the Bible, are the basis of Christianity. The Bible is a covenant document. The Old and New Testaments are really Old and New Covenants. The word "testament" is Latin for Covenant.

Pastor Al thinking where  
Should he go next?

## A word from Pastor Al

I greet you in the name of the Lord Jesus Christ in the Lord. Just wanted to let you know that we are so excited about what the Lord is doing in us. The enemy has been attacking us, our MRC families and the ministry but we welcome it because James said, "2Dear brothers and sisters, when troubles come your way, consider it an opportunity for great joy. 3For you know that when your faith is tested, your endurance has a chance to grow. 4So let it grow, for when your endurance is fully developed, you will be perfect and complete, needing nothing." James 1:2-4.

So I say it again, trouble has come our way but we have to consider that the enemy is not going to bother dead people or dead churches. He has to go after the ones that are doing a work for the Lord. This is great because our faith is being tested to see how strong it is. Anybody can serve God when all things are going well, but what happens when the gates of hell are loosed on you, your family and your church? What about when the devil moves to the spare room of your house and works on your family? Well, Jesus said the gates of hell will not prevail over my church. He has already overcome! As we are being tested, we are getting stronger and there is no turning back. I have never been back to visit that old man that used to serve the devil and I do not plan to do so. We are getting to the point that nothing matters but Christ and him crucified for you and me. I know many people make that statement until the enemy moves in then all bets are off.

After praying for about 8 years every day we can see that something big is happening in the spiritual world. Our University of Disciples has been under heavy attack but we overcome by the blood of the Lamb of God. We will continue to do the work of the Lord until the day he returns for us.

Jesus is coming very soon and the time is now when we must take the Good News to all the nations. Why would anybody just want to walk away from the Lord after they knew him? Well, maybe it was because they never knew him in the first place. You see I have tasted the things of God and as the psalmist said, "Taste and see that the LORD is good. Oh, the joys of those who take refuge in him!" Psalm 34:8. There is no reason why I would want to go back to the world or stop serving the Lord just because the devil offers me the things of this world. You have to decide are you going to serve the Lord or the gods that your forefathers served? You see I am a lifer I have accepted my life sentence which is to live in Christ. If you want something to last a while plant a flower, if you want it to last a life time plant a tree but if you want it to last an eternal time, then plant the seed of the Gospel into a soul. I am so excited about partnering with our new friends in Australia - to plant missions training centers in Australia and China, it's out of this world. This is what living my life is all about, what about you?

A Missions Team will get ready for Cuba in 2015
